Digital Photo Camp

Ages 8-14

We will discuss camera basics and techniques for taking better pictures: portraits, family pictures, action pictures, travel pictures and close-ups and learn online how to use all of the main features of your digital camera. We will cover safe ways to store your pictures outside your camera so you won't lose your pictures. You'll also learn how to re-use the space on your memory card. We will answer familiar questions like: What do the extra controls on my camera mean? How can I use the extra controls to make better pictures? What difference do they make? My camera can make lots of different sizes of pictures. Which size should I use? Should I always make the biggest size picture? Instructor Len Cook has 15 years' experience as a photojournalist and over 25 years as a photographer and instructor.

TEEN & TWEENS CAMPS

TEEN LEADERSHIP ACADEMY

Youth Volunteer Program

If you would like more information before registering for the program, there will be an **INFORMATION & OPEN HOUSE** meeting on **Wednesday, June 5th (7:00 p.m.)** at the **Teen Center in Central Park.**

The Teen Leadership Academy is designed to provide our young adults opportunities to gain real life and work experience through civic engagement. Junior high & high school age youth are given an opportunity to perform community service while learning the principles of project management, work ethic, leadership, team work, and character building. Space is limited in both programs so registering early is a way to guarantee a spot. Once registered, we will expect your teen at the **MANDATORY** orientation on **Monday, June 17th (6:00 p.m.)** at the Teen Center (this is optional for their parents to attend if they have questions as well.)

Junior High Students: A great way to get a head start in your leadership development and keep yourself busy during the summer doing something interesting, learning skills and meeting new people.

High Schoolers: Our programs have helped many people graduate from high school! These programs have been considered valuable and approved for volunteer service hours by the Fremont Unified School District and other local public and private schools. Please discuss the programs with your school's volunteer service coordinator for final approval.

Youth Service Corps (YSC)

Entering 7th - 12th Grade: A service-based program that teaches young people about stewardship of the land and giving back to the community through group environmental and maintenance projects. The teenage work teams are mentored by college students from local universities. There are 4 hours of community service per work day and 2.5 hours for lunch plus afternoon team-building activities.
